PATENT APPLICATION
Serial Number: 09/847,633
Attorney Docket Number: BIL 1864

"Claims 3-5 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims."

By this Amendment, the substance and body of claim 5 has been added into claim 1, so as to effectively rewrite claim 5 in independent form, so as not be dependent upon a rejected claim. Claims 4 and 5 have been amended and rewritten in independent form, including all of the limitations of the base claim and any intervening claims.

The fee for the additional two (2) independent claims and one additional claim, has been authorized to be paid, by a concurrently filed Amendment Fee Transmittal form. No new matter has been added.

The Director is hereby authorized to charge any additional fees and credit any overpayments during the pendency of this application to Sitrick & Sitrick's Deposit Account Number: 501166. No new matter has been added. Reconsideration is respectfully requested.
